NUNAVUT WATER BOARD CALL FOR NOMINATIONS

The Kivalliq Inuit Association (KivIA) is seeking nominations to fill a Board position within the Nunavut Water Board (NWB). The KivIA would appoint the successful nominee to this position for a period of three (3) years on confirmation of appointment by the Government of Canada.

The NWB is an Institution of Public Government (IPG) established as an independent public agency with its roles and responsibilities set out under the Nunavut Agreement - Article 13, Water Management. The NWB consults with government, Inuit organizations and many other organizations but the NWB's responsibility and power is over the regulation, use and management of water in the Nunavut Settlement Area.

Interested individuals should have an acute understanding and experience in the preservation, management and protection of water; understanding of NWB's organizational structure and governance model; in-depth knowledge of the Nunavut Agreement; knowledge of coordination required between Institutes of Public Government regarding current Land Use Plans and working knowledge of Resource Development Environmental Impacts; and understanding of technical terminology and ability to synthesize scientific data.

To be considered, candidates must demonstrate their qualifications and actively and personally committed to represent the interest of beneficiaries of the Kivalliq Region and have the following minimum requirements:

- Must be at least 18 years of age;
- Must be an Inuit beneficiary from the Kivalliq; and
- Must be able to complete a satisfactory criminal records check.

If you are interested in being a part of this important Institution of Public Government, please forward your resume and letter of intent to:
