Please be advised the Traditional Economy Fund (TEF) administered by the Kivalliq Inuit Association (KIA) through funding received from Nunavut Tunngavik Inc. (NTI), has reached its maximum allocation for Coral Harbour beneficiaries. Applications will still be accepted from Coral Harbour beneficiaries for future funding availability under the TEF program; however, will not be processed for the time being.

Please note, this **does not** have an impact on the administration of the Nunavut Harvesters Support Program (NHSP) and the Kivalliq Freight Subsidy Harvesters Support Grant (HSG).

If you have any questions about an application submission under the TEF Program, please contact [business@kivalliqinuit.ca](mailto:business@kivalliqinuit.ca) or by calling 1-867-645-5725 or toll free 1-800-220-6581.
