Meliadine Project Scholarship Guidelines and Application Form

The Kivalliq Inuit Association and Agnico Eagle believe that investing in students is an investment in the future of Nunavut and in creating diverse, educated and vibrant communities in Nunavut.

The Meliadine Scholarship will award Inuit students from the Kivalliq region who pursue post-secondary education or training at an accredited post-secondary institution or participate in a High School Abroad or similar program.

Preference shall be given to students who express an interest in education or training for positions in a mine-related field.

The period for applications is July 1 to August 31, 2019 at 5:00 p.m. (CST).

Students must be enrolled in full-time studies for both September and January semesters.

Students who do not complete the academic year for which they receive the scholarship will be required to pay back the amount received in full from KIA.
