Help Shape the Future of McConnell River Migratory Bird Sanctuary

ᐱᐱᐱᐱᐱᐱ

Arviat

Kivalliq Inuit Association is inviting a passionate, knowledgeable, community-minded Inuk from Arviat to step forward for an exciting leadership opportunity on the **Nivvialik Area Co-Management Committee (ACMC)**.

ᐱᐱᐱᐱᐱᐱᐱᐱ

Baker Lake

The ACMC plays a vital role in protecting one of our region’s most important places.

This is more than a committee appointment—it is a chance to help guide the future of a place that holds deep cultural, ecological, and historical significance for Inuit.

ᐱᐱᐱᐱᐱᐱᐱᐱ

Chesterfield Inlet

Serving on the ACMC is an opportunity to:

- **Protect and steward** the McConnell River Migratory Bird Sanctuary, home to important species and traditional harvesting areas.
- **Apply Inuit Qaujimagatuqangit** and Inuit values to real decision-making that shapes land, wildlife, and habitat management.
- **Strengthen Inuit leadership** in the planning and operation of current and future National Wildlife Areas and Migratory Bird Sanctuaries.
- **Share your knowledge** of Inuit culture, heritage, and land use to support responsible co-management.
- **Represent your community** and contribute to long-term environmental and cultural sustainability.
